

Beconfident Teeth Whitening Mouth Trays 2-Pack with Applicator

121497

Beconfident Teeth Whitening Mouth Trays can be used together with all of Beconfident's different teeth whitening gels. A suitable mouth tray is a prerequisite for a successful teeth whitening result as it is critical that the teeth whitening gel has as optimal contact as possible with the tooth surface. The teeth whitening trays come with detailed instructions on how to easily shape them to your own teeth rows. The package contains a 2-pack Teeth Whitening mouth trays, an applicator for treatment of individual tooth surfaces and instructions for use.
