

Beconfident Whiteamin Toothpaste

140098

Beconfident WhiteAmin is a vitamin-enriched teeth, whitening toothpaste that contains vitamins A, B6, and C and ensures that you both start and end the day with a wonderful whitening vitamin boost. The toothpaste is used just as usual, morning and evening and meanwhile absorbs into the mucous membranes. In addition to vitamins, the toothpaste contains the active teeth whitening agent coconut sulphate, which helps to keep the teeth free from discolouration. WhiteAmin has a soft taste of mint and contains no abrasives. The package contains an extra large airless bottle (50 ml) and instructions for use.
