Beconfident Clear Skin Spot On

180452

Beconfident Spot On Pen has a unique design for the accurate treatment of existing pimples so that you can quickly and easily apply directly onto the area to be treated. Perfect to carry in your bag, with a formula that both accelerates the healing of pimples, and helps to strengthen the skin with regular use. For best results, it should be used with or after treatment, with the Beconfident Clear Skin Start kit or Beconfident Acne Reduce cream.
