

Beconfident Sonic Toothbrush Heads Whitening 2-Pack Black

650998

Get whiter, cleaner and stronger teeth with 2-pack Beconfident Sonic Whitening Toothbrush Heads in Black. The toothbrush head has DuPont® bristles with a built-in fade away colour reminder for when it is time to change the toothbrush head. When the colour fades it is time to change – normally every three months for the best cleaning and the least wear on the enamel. Whitening brush heads have been specially developed to remove stains from the teeth and give you visibly whiter teeth. Regular soft replacement toothbrush heads also available for daily use. Use together with Beconfident's range of whitening toothpastes for a whiter, cleaner smile.
