Beconfident Teeth Whitening Pro Kit + Teeth Whitening Touch-Up Pen

BCBDL004

Beconfident Pro Kit with Triple Boost Max Teeth Whitening Gel / X4 uses 3 technologies to whiten teeth up to 7 shades whiter in 10 days. The gel contains the latest PAP formula (ε-phthalimido peroxy hexanoic acid) + Sodium Bicarbonate + coco sulphate, which work together for the most effective peroxide free teeth whitening treatment available. The teeth whitening kit contains 2 x Beconfident original mouldable mouth trays, a gel applicator and post-whitening treatment. The Protect and Repair Gel (10 ml tube) reduces teeth sensitivity after each treatment and helps to remineralise, strengthen and protect the enamel long term. The Protect and Repair gel contains Hydroxyaptite (liquid calcium) and Sodium monofluorphosphate (920 ppm F-). Instructions for use are included.

The Beconfident Touch-Up Cleaning Pen is suitable for cleaning your teeth on the go or when you need a quick whitening top-up. The teeth whitening pen removes stains from coloured food, tea, coffee, red wine and smoking. The Beconfident pen is applied to the teeth using the inbuilt brush making it the perfect whitening tool to target and remove stains from between teeth. Targeted teeth whitening for a beautifully enhanced whiter smile.
